

NOMINATION FOR VENUES: ELIA LEADERSHIP SYMPOSIUM 2021

Members are invited to nominate a host venue for the 10th ELIA Leadership Symposium

DEADLINE: 20 DECEMBER 2019

WHAT IS THE ELIA LEADERSHIP SYMPOSIUM?

ELIA Leadership Symposium is established as an event that brings together influential leaders from higher arts education institutions and universities across the globe for an important and timely discussion on current issues in leadership in higher arts education.

Through a combination of formal presentations by prominent keynote speakers followed by round table discussions and exclusive visits in the city, the Symposium creates a generative environment of conversation, building towards outcomes that will have tangible effects for the future of higher arts education institutions. To ensure an optimal level of interaction, focus and collegiality, participation is limited to 100 delegates.

HOSTING THE ELIA LEADERSHIP SYMPOSIUM

Previous institution hosts of ELIA Leadership Symposiums have appreciated the unique opportunity to present themselves to the European and International Art Education Institutes, and related national and international organisations. The host institution also actively participates in developing the content and programme of the symposium, arranges venues and logistics and promotes the event on a local and national level.

Previous ELIA Symposium editions:

- 2003** Los Angeles, US | Hosted by the Getty Center
- 2005** London, UK | Hosted by the University of the Arts in London
- 2007** Hong Kong, China | Hosted by The Hong Kong Academy for Performing Arts
- 2009** Zurich, Switzerland | Hosted by Zurich University of the Arts
- 2011** Vancouver, Canada | Hosted by Emily Carr University of Art and Design
- 2013** Helsinki, Finland | Hosted by the University of the Arts Helsinki
- 2015** Cape Town, South Africa | Hosted by the African Arts Institute
- 2017** Poznan, Poland | Hosted by University of the Arts in Poznan

ELIA is currently preparing the 9th edition of the Leadership Symposium which will be hosted by the China Academy of Art and take place in Hangzhou, China from 20 – 22 November **2019**.

It would be preferable that the 10th Leadership Symposium be held in Europe in order to follow the tradition of having alternating editions of the event held in and outside of Europe.

BUDGET

Before the planning begins, ELIA and the host institution will settle on an agreement. The budget will be jointly signed off on, and is estimated at approximately €140.000, although this amount could be considerably lower depending on the in kind contribution of the host. ELIA will guarantee to raise a percentage of this amount through participation fees. The remaining amount will be raised by the host institution. Parts of the budget can be contributed 'in kind' (for instance, by using the institution's own building). Generally, host institutions also raise financial support from governmental and local authorities.
